Special Processing Unit (SPU);  
Attorney's Fees and Costs

**DECISION ON ATTORNEY'S FEES AND COSTS<sup>1</sup>**

On April 29, 2020, Thomas Laha filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*<sup>2</sup> (the "Vaccine Act"). Petitioner alleges that he suffered shoulder and arm pain as a result of his influenza vaccination on October 5, 2018. (Petition at 1). On September 24, 2021, a decision was issued awarding compensation to Petitioner based on the Respondent's proffer. (ECF No. 43).

<sup>1</sup> Because this unpublished Decision contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

<sup>2</sup> National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Petitioner has now filed a motion for attorney's fees and costs, dated February 14, 2022, (ECF No. 48), requesting a total award of \$27,991.57 (representing \$26,852.65 in fees and \$1,138.92 in costs). In accordance with General Order No. 9, counsel for Petitioner represents that Petitioner incurred out-of-pocket expenses in the amount of \$30.00. (Id. at 1). Respondent reacted to the motion on February 23, 2022, indicating that he is satisfied the statutory requirements for an award of attorney's fees and costs are met in this case but deferring resolution of the amount to be awarded at the Court's discretion. (ECF No. 49). Petitioner did not file a reply thereafter.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorney's fees and costs. Section 15(e). Accordingly, petitioner is awarded the total amount of **\$28,021.57**<sup>3</sup> as follows:

- A lump sum of \$27,991.57, representing reimbursement for fees and costs, in the form of a check payable jointly to Petitioner and Petitioner's counsel and;
- A lump sum of \$30.00, representing reimbursement for Petitioner's costs, in the form of a check payable to Petitioner.

In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk shall enter judgment in accordance with this decision.<sup>4</sup>

**IT IS SO ORDERED.**

<sup>3</sup> This amount is intended to cover all legal expenses incurred in this matter. This award encompasses all charges by the attorney against a client, "advanced costs" as well as fees for legal services rendered. Furthermore, § 15(e)(3) prevents an attorney from charging or collecting fees (including costs) that would be in addition to the amount awarded herein. See generally *Beck v. Sec'y of Health & Human Servs.*, 924 F.2d 1029 (Fed. Cir.1991).

<sup>4</sup> Pursuant to Vaccine Rule 11(a), the parties may expedite entry of judgment by filing a joint notice renouncing their right to seek review.
